

## INDEX

### A

- Addis, T. (with Spalding, A. B., and Shevky, M. C.), The extent of the renal lesion in the toxemia of pregnancy, 350, 418
- Alam, A case of abnormal labor (hydrothorax and ascites in the fetus), (Abst.), 682
- American Gynecological Society, Transactions of Forty-seventh Annual Meeting, 296, 415, 561, 660
- Andresen, A. F. R., Reflex gastric symptoms in diseases of the female pelvic organs, 142
- Anesthesia and analgesia in obstetrics, Clarke (Abst.), 572
- Anesthesia during labor, Schellekens, (Abst.), 574
- Anesthesia in normal and operative obstetrics, nitrous oxide oxygen analgesia and, Danforth, (Abst.), 575
- Anesthesia in obstetrics, Hill, (Abst.), 571
- Anesthesia in obstetrics, the use of nitrous oxide-oxygen analgesia and, Sellers, (Abst.), 576
- Aschenheim, Danger of x-rays to fetus, (Abst.), 334
- Ascites, congenital abdominal, with other abnormalities. Blumenfeld. (Abst.), 677

### B

- Bartram, The interpretation of fetal heart sounds, (Abst.) 676
- Beck, A. C., Is interference justifiable after 24 hours of labor when no other indication is present? 623, 664
- Bélère, Three hundred cases of uterine fibroids treated with x-rays, (Abst.), 329
- Birth injuries of the newborn infant, better obstetrics and the problem of the, Ehrenfest, H., 61, 99
- Birth palsy, the etiology of, Schubert, (Abst.), 679
- Birth paralysis, Platt, H., (Abst.), 679
- Blumenfeld, Congenital abdominal ascites with other abnormalities, (Abst.) 677
- Brodhead G. L., Hydatiform mole, with report of ten cases, 45

Book Reviews: The Place of Version in Obstetrics, Potter, L., 107

- Gynecology for Students and Practitioners, Eden, Thomas W., 211
- A Text Book of Midwifery for Medical Schools and Colleges in India, Das, K., 211
- Manual of Obstetrics, Polak, John O., 212
- Doederlein-Kroenig Operative Gynaecologie, ed. 4, Doederlein, A., 213
- The Glands Regulating Personality. A Study of the Glands of Internal Secretion in Relation to the Types of Human Nature, Berman, L., 214
- Gynecological and Obstetrical Pathology, Frank, R. T., 577
- Browne, F. J., Neonatorum pneumonia, (Abst.), 681
- Burdick, A. L., and Holmes, R. W., The test of labor in relation to cesarean section, 579, 665
- Bylicki, L., Contributions to fetal biology, (Abst.), 676

### C

- Caldwell, W. E., New leg-holder for gynecologic and obstetric use, 76
- Intravenous use of paraldehyde in eclampsia, 313
- Calkins, L. A., Morphology of the human fetus, with special reference to the obstetric measurements of the head, 109
- Cervix uteri, precancerous conditions of the, Huggins, R. R., 552, 537
- Cesarean section, hernia of the pregnant uterus with a fourth, Rongy, A. J., 93
- a method of disposing of the spill in, Cornell, E. L., 183
- the test of labor in relation to, Holmes, R. W., and Burdick, Addison L., 579, 665
- Clarke, Anesthesia and analgesia in obstetrics, (Abst.), 572
- volvulus of the sigmoid following elective, Keller, F. E., 322
- Cheinisse, Corpus luteum extract in hyperemesis gravidarum, (Abst.), 450
- Clark, J. C., A comparative study of two series of gall bladder lesions, 302

- Clark, with Norris, End-results in 232 hysterectomies, (Abst.), 331
- Collective Reviews : The kidney of pregnancy, Schmitz, E. F., 102
- Views of primitive peoples concerning abortion, Wright, J., 202
- Modern gynecology and its trend towards conservative measures, Frank, R. T., 437
- Lumbar puncture in the treatment of eclampsia, Spillman, R., 568
- Congenital syphilitic inflammation of the long bones, Turnbull, (Abst.), 680
- Cornell, E. L., A method of disposing of the spill in cesarean section, 183
- Corpus luteum, is the active substance specific for sex? Fellner, (Abst.), 207
- Cosbie, W. G., Syphilis in relation to abortion, stillbirths and infant mortality, 40
- Cullen, T. S., The use of sutures as tractors in the vaginal operation for prolapsus, 544, 567

## D

- Dacharry, N. A., Resuscitation of newly-born child without heartbeats by intracardiac injection of adrenalin, (Abst.), 678
- Danforth, Nitrous oxide oxygen analgesia and anesthesia in normal and operative obstetrics, (Abst.), 575
- Darnall, W. E., (with Kolmer, J.), Malignant papilloma of the kidney, 273, 319
- Davis, E. P., The uterus after cesarean section, 335, 415
- The treatments of the toxemia of early and late pregnancy, (Abst.), 449
- Death in utero, signs of, Vignes, (Abst.), 677
- Delivery, is the usual method of preparing patients for, beneficial or necessary? Johnston, R. A., and Sidall, R. S., 645
- Dickinson, R. L., Tubal patency test and unsealing by simple air-filled pipette, 159
- Digitalization, preoperative, a method to reduce postoperative complications, Geist, S. H., (with Somberg, J. S.), 135, 189
- Dorland, W. A. N., Clinical and embryologic report of an extremely early tubal pregnancy: Together with a study of decidual reaction, intrauterine and ectopic, 215, 372
- Dysmenorrhea, endocrine types of, Godbey, (Abst.), 205

## E

- Eclampsia, and its incidence, Paramore, (Abst.), 444
- intravenous use of paraldehyde in, Caldwell, W. E., 313
- the conservative treatment of, McPherson, R., 83
- puerperal, Moore, (Abst.), 444
- the etiology and treatment of, Hirst, B. C., (Abst.), 443
- treatment of, with strong solution of sugar, Hügel, (Abst.), 449
- Ehrenfest, H., Better obstetrics and the problem of the birth injuries of the newborn infant, 61, 99
- Endocrine functions of the female reproductive organs, the, Vincent, (Abst.), 204
- Endocrinologist, the ovary and the, Frank, (Abst.), 209
- Endocrine in gynecology, the, Graves, (Abst.), 209
- Everitt, Ella B., In Memoriam, 323
- Exomphalos, or hernia into the umbilical cord, Tennent, (Abst.), 677

## F

- Falk, A further contribution to aynpnotism in obstetrics and gynecology, (Abst.), 445
- Fellner, Remarks on the article of Herrmann and Stein: Is the active substance of corpus luteum specific for sex? (Abst.), 207
- Function of ovaries during pregnancy (interstitial cells), (Abst.), 208
- Fetal biology, contributions to, Bylicki, L., (Abst.), 676
- Fetal, heart sounds, interpretation of, Bartram, (Abst.), 676
- danger of x-rays to, Aschenheim, (Abst.), 334
- morphine poisoning of the, before delivery, Halsted, H., 95
- morphology of the human, with special reference to the obstetric measurements of the head, Calkins, L. A., 109
- Fibroid disease of the uterus? what is the relation to, Polak, J. O., with Mittell, Edith A., and McGrath, Anna B., 227, 300
- tumors of the uterus, indications for the surgical treatment of, Montgomery, (Abst.), 331
- Fibroids, in what cases do uterine. still require operative removal? Tausig, (Abst.), 330
- Fibroids of the uterus, when to operate and when to use radium on, Gellhorn, (Abst.), 330
- Fibroids, the present status of the treatment of uterine, Wiener, (Abst.), 330

- Fibroma of the uterus cured by deep x-ray therapy. No return of tumor in three years, Tousey, S., 97
- Fibromyomata uteri a review of seventy-five consecutive hysterectomies for, Van Etten, R. C., 169
- Fist, H. S., (with Schumann, E. A.), Organic diseases of the nervous system complicating pregnancy: With report of two cases, 67, 91
- Frank, R. T., The ovary and the endocrinologist, (Abst.), 209  
Modern gynecology and its trend towards conservative measures, (Collective Review), 437
- Furniss, H. D., Supernumerary ovary, 94
- G
- Gall bladder lesions, a comparative study of two series of, Clark, J. C., (Abst.), 302
- Ganssle, Sex determination and war, (Abst.), 676
- Gastric symptoms, reflex, in diseases of the female pelvic organs, Andresen, A. F. R., 142
- Genital infections of possible interest, to the medical profession, some phases of bovine, Williams, W. L., 513, 563
- Geist, S. H., Uterine polyps, histology, symptomatology and a suggestion as to the etiology, 30  
(with Somberg, J. S.), Preoperative digitalization. A method to reduce postoperative complications, 135, 189
- Gellhorn, G., When to operate and when to use radium on fibroids of the uterus, (Abst.), 330
- Gerson, Twilight sleep, (Abst.), 573
- Gillespie, Relief of pain in labor, (Abst.), 575
- Godbey, Endocrine types of dysmenorrhea, (Abst.), 205
- Goldberger, M. A., A brief review of the physiological and embryological genesis of pseudohermaphroditism, with report of a case, 130, 187  
Ruptured corpus luteum cyst simulating ruptured ectopic pregnancy, 185
- Grad, H., A new suture holder for vaginal plastic operations, 291, 316  
Pathology of uterine bleeding based on an analysis of one hundred cases, 319
- Graffagnino, P., Abdominal pregnancy as observed in the Charity Hospital of New Orleans, 71  
Ectopic pregnancy, 148
- Graves, The endocrine in gynecology, (Abst.), 209
- Guggisberg, H., Oxytocic substance in the placenta, (Abst.), 206
- H
- Halsted, H., Morphine poisoning of the fetus before delivery, 95
- Harding, Nausea and vomiting in pregnancy, (Abst.), 447
